**Preamble:** It is mandatory for every Medical College in India to have a Pharmacovigilance Committee, as per regulations of National Medical Commission' Therefore, the Pharmacovigilance Committee of this Institute has been constituted.

**Goal:** The broad goal of the committee will be to generate awareness about the need of identifying and reporting of Adverse Drug Reactions (ADRS), amongst all sections of healthcare providers (Doctors, Nurses, Pharmacist, Post-graduates and Undergraduate students, Service providers, etc.) of this institute to identify the ADRs 6ccurring in patients coming to the institute for treatment and report the same to the appropriate authorities.

**Objectives:**

1. To generate awareness about ADRs amongst health care providers and students of the institute, by different activities.
2. To identify ADRs occurring in the patients coming to the institute for treatment and to report the same to tl e appropriate authorities.
3. To carryout causality assessment of ADRs
4. To undertake scientific and research activities pertaining to ADRS'
5. To take up activities to strengthen t]e ongoing National Pharmacovigilance Pregame.
